Don't let your employees be caught off-guard during an emergency when food is hard to find in grocery stores. With food inflation, shortages, and global supply chain disruptions, families will hit hard times.

Secure Foods 37 Lunches & Dinners kit includes 9 varieties of easy-to-prepare hot meals to serve during stressful times and offers employers a way to sustain their workforce from disaster to recovery.

How many people will this feed and for how long?

This substantial and delicious kit will provide a full lunch and dinner to one person for 37 days.

Meal Combination Suggestions

Add the Dried Vegetables kit to enhance these comfort foods with additional vitamins, fiber, and flavor. Create healthy desserts by including the Dried Fruit kit, or snack as is for antioxidants and even more fiber.
